## Pure Stock Division Amendment

5-28-18

### Body:

- Headlights and parking lenses must be removed, and openings filled completely with sheet metal. All bumpers must remain stock, **all openings in front bumpers not feeding air to the radiator must be closed off with sheet metal.**

### Suspension:

- No locked or posi-traction rear ends permitted. Rear ends must remain stock. **Maximum rear steer of 3/8 inches.** Spider gears may not be welded. Differential must be open. No LSD will be permitted.
